

The Ann Arbor Jaycees are the premier organization for young people ages 21 to 40 who want to give back to their community, develop personal and professional skills and have FUN!

The Jaycees have helped me grow personally, professionally and allowed me to expand my circle of friends while giving back to my community.

-Stefanie, member since 2002

The Jaycees for me is a place where I can funnel some of my creative energy to make a difference in my local community. The Jaycees has way more to offer than I could ever take advantage of, but it allows me to pick and choose the events that I find interesting and are valuable to my personal growth.

-Ed, member since 2009

I joined the Jaycees because I was new to Ann Arbor and did not know anyone. I have stayed a member for more than 12 years because of the great friends I have made, the awesome leadership opportunities that I have had and the satisfaction of making a difference in the community.

-Michelle, member since 1998

Who are the Ann Arbor Jaycees?

The Ann Arbor Jaycees are young professionals ages 21-40 who want to give back to the Ann Arbor community, network, learn new skills (both personally and professionally) and have fun!

We also provide leadership development through planning and participating in projects and committees. Additional leadership skills are developed by serving on the Board of Directors.

All of the projects we run are planned by our members, for our members! Our members also have a say in the community groups we support, how we raise our money, and the social events we organize.
