PRESIDENT

Mary Jo Knitter, 77th President

president@a2jaycees.org

Being a Jaycee has given me many experiences I don't think I would have done on my own. I've had the opportunity to travel to cool places, like Turkey, India and Put in Bay. If it weren't for the Jaycees, I don't think I would have ever experienced those places.

I've also had some awesome community experiences. I would have never been part of putting on a Parade or known much about Relay for Life or ever been able to cook a meal for parents with sick Children at Mott Children's Hospital.

There are also a lot of fun events that happen in the City of Ann Arbor that the Ann Arbor Jaycees are a part of. I had never experienced Taste of Ann Arbor or Oktoberfest prior to joining the Ann Arbor Jaycees.

Over the years, we had a lot of interesting business tours. Again, if it weren't for the Ann Arbor Jaycees, I don't know if I would ever taken a tour of the Better Made potato chip factory, seen the Detroit Tigers locker room or toured the Fermi II plant.

Most recently, I have experienced DC and it will go down as one of my highlights of 2011. I also experience the Ugly Dog Distillery. I have never heard of that place until this year and am excited that I can buy locally made vodka. I also was able to experience the World Expo of Beer put on by the Frankenmuth Jaycees. What an event!

I could write for hours about of my great experiences as an Ann Arbor Jaycee. I encourage to take advantage of everything the Ann Arbor Jaycees has to offer! If you never take a chance, you'll miss out on an experience of a lifetime!

I would also like to take this time to recognize our awesome chairpeople from May. Thank you to **Deena Frye** taking us to **Washington, DC** , **Stefanie Marsa** for taking us to the **Ugly Dog Distillery**. Thank you both for your chairing these wonderful excursions!

Please congratulate the following outstanding performers recognized at the April GMM!

What comes to your mind when you hear the word leadership? Do you think about people you view as leaders? Do you think of presidents, pastors, coaches, and teachers? The word itself conjures up a slew of images and emotions. Can you easily define leadership? Dictionary.com defines a leader as a person that leads. Although that definition begs the next question, what does it mean to “lead”? This time things are a little clearer from dictionary.com. To lead means to go before, or to show the way, or influence. Now what do you think when you hear the word leader? While presidents, pastors, coaches, and teachers can certainly be leaders there are many more leaders in our community. Are you one of them? While being involved with the Jaycees can certainly be a lot of fun, there are also many opportunities to be a leader. So take some time out of your busy schedule and be a leader by chairing a project this year. I promise you won’t regret it !

Please consider coming out to a committee meeting. As a part of the committee you will learn what it takes to put on an event of this magnitude and how to deal with a WIDE range of community members. What are you waiting for? This is your chapter and you should be proud that this will be the 21st year of the Fourth of July Parade. Contact Ed today to find ways that you can help.

Management

Scott Zechiel, Management Vice President

Hello Ann Arbor Jaycees! Wow, it is June already! Time flies when you are having fun! First, I just want to congratulate every Ann Arbor Jaycee on the fantastic weekend we had at Boyne Mountain Resort recently for the 2011 1st quarter Convention.

Additionally, I just want to take this opportunity to thank everyone who chaired a Management Area project, served on a Management Area committee, or helped with a Management Area project during the first quarter. We are having a huge impact on our chapter and it is recognized. Congratulations!

Upon reflecting on this past convention, I realize that attending convention helps remind us that we are part of a larger organization. We are part of an organization that has roots at the state level, country, and world that is making a difference in many communities. I want to ask you to take a look at how you are involved in the Jaycees? What are you doing to help impact the community through the Jaycees here in Ann Arbor? Have you attended a project recently? Are you getting involved on a committee? Have you signed-up to work a shift at Taste of Ann Arbor or Carnival or other area projects? All of these are things that you can get involved with at a local level, and help support a very large organization that is making a difference. And never forget, that you are making an impact much larger than you or I could ever really make as individuals through the Jaycees.

Membership/Individual Development

Membership/ID Team

L-R: Karen Haberland, Paige Gill, Russ Trapp

membership@a2jaycees.org

So you've become a Jaycee, now what? Being a Jaycee goes beyond being a member of the Ann Arbor Jaycees. Once you've joined the chapter you're part of the Region H Jaycees, Michigan Jaycees, U.S. Jaycees and Junior Chamber International.

So how do you get the most of your Jaycee membership? Take it to the next level and start attending events organized by these larger Jaycee organizations. After 13 years as a Jaycee (I joined at 21, ya know) and I can truly say that attending a Michigan Jaycee convention is about one of the most amazing experiences around. You come back feeling excited to be a Jaycee and feeling like your "batteries are charged." Attending a Michigan Jaycee convention events gives you the opportunity to:

- Network (and who can't benefit from career networking in this economy?)
- Attend valuable and relevant training (social media, dealing with difficult people, project management, etc)
- Make new friends
- Be inspired by like-minded people (hearing about all the cool projects run by other Jaycee chapters is mind-boggling!!!)
- Have Fun!!!!

So what is it like to attend a convention? It's inspiring, good crazy fun, energizing and exhausting all at once. You'll make new friends and laugh harder than you've laughed before.

When's the next Michigan Jaycee convention you might ask? August 12-14 at the Crowne Plaza in Grand Rapids. Be there or be square! See page 12 for complete details for the next convention or contact me at khaberland@gmail.com.

Location: Scott Zechiel's Home, 6505 Stony Creek, Ypsilanti

Cost: Free

Contact: Russ Trapp at rtrapp@umich.edu or 734-730-5820

If you've been to a drive-in movie theater, this event is similar, except without the cars. We will set up shop on the big farm known as Zeke Country. Well it's not really a farm, but you will find some classic artifacts of American agricultural technology there! You might even run into a guy who wakes up at 4am everyday. Anyway, after the parade float is built, and the combines and tractors are put away, we are going to watch movies outside after the sun sets. Before the sun sets we will be having some snacks and beverages, and also a barbeque grill will be available for cooking some meats. Feel free to BYOB and BYO grillables. The chapter will provide some basic refreshments.

Please bring movies (DVD or Blu-Ray). The group will decide on our favorite 2 or maybe 3 films to watch. See everyone there!

Hello Ann Arbor Jaycees -

Like the chapter, the Foundation is gearing up for our busy summer months. We are pleased to welcome Sue Foltin back to the Foundation as the Marketing and Public Relations Liaison who is already hard at work with the Carnival and Parade committees. We are gearing up to run a Precious Pet or Baby contest at the Carnival, so stay tuned for more details.

On June 23rd, we will be running a Dine to Donate at Max and Erma's in conjunction with the chapter's Meet, Greet and Eat. Flyers will be distributed soon so you can eat lunch or dinner or both at Max and Erma's, hang out with new and old friends, and contribute 20% of your bill to the Foundation's General Fund. At the July GMM, we will be holding another 50/50 raffle, so bring your dollar bills to help raise money for the Foundation. We also have another round of poker coming up in July and we will need YOU to make it a success. Look for a staffing grid and sign up for a shift. It is easy - bring a friend and make it fun!

Finally, grant applications for Foundation grants are due on June 30th. So if you know an organization that aligns with the Mission of the Foundation, encourage them to apply.

Please help us Imagine the Possibilities for the Foundation in 2011!

Get to Know COB Beth Hill

- I moved to Ann Arbor to attend the University of Michigan and forgot to leave once I graduated in 1993. I followed that degree with a M.A. from U-M in 2000 and I've worked at the university full-time since 1996. I also have season football tickets. Go Blue!

- I have a great memory especially for random facts and information, which makes me a great asset for Trivial Pursuit and other trivia games.

- The first project I chaired was an Individual Development cultural events project in 2001 and I've been a big fan of ID projects ever since. The irony about this is that I have served in Jaycees leadership positions at the local and state level in every area but ID.
- My cat Rosalind causes a lot of chaos in my home, but in a good way. She likes to play catch and fetch and have her tummy rubbed like a dog.
- I've played baseball or softball for as long as I can remember. I got my first real mitt when I was 3 years old and before that I had a big plastic bat and ball set.

COB Responsibilities

- Deliver the Annual Address at the Yearender.
- Complete an Annual Report.
- Head the Long-Range Planning Committee.

Put In Bay Trip

Date: Friday, September 16 to Monday, September 19, 2011

Contact: Brian Palmby at millennium_force@hotmail.com

Join us for a weekend of inexpensive fun on a trip to Put In Bay, Ohio.

This small island in Lake Erie is where we will be staying for 4 days and 3 nights. The fun includes shopping, a New Year's Eve on the island party, casino tent, a national monument, bars, great food, museums, golf carts/mopeds, island life, a pool, outdoor games, and even a boat ride (leave your stress behind on the mainland).

For UNDER \$200 you will get 3 nights lodging in cottages and most meals provided (breakfast/dinners daily). Cost is \$188 per person for the weekend (lodging & meals). Pay at the GMM via check (payable to the Ann Arbor Jaycees or via PayPal at https://www.paypal.com/cgi-bin/webscr?cmd=_s-xclick&hosted_button_id=5QFP4BDSX2Q22

We have only 18 reserved spots for this fantastic trip. The cost of the trip is determined by how many of the spots we can fill. If we get only 16 or 17 people out of the 18 spots, the cost may go up by a few dollars. From that point the cost is fixed, not variable. This means staying less than 3 nights or eating less does not change your price.

Proud to be an Ann Arbor Jaycee; Proud to be your Realtor.

Over the years, my business has benefitted greatly from my membership with the Ann Arbor Jaycees. In 2010, I'd like to give back. This year, for every deal closed with a Jaycee or a direct referral, I will donate 10% of my commission to the Ann Arbor Jaycees Foundation.

Jaycee Creed

We Believe:

That faith in God gives meaning and purpose to human life.
That the brotherhood of man transcends the sovereignty of nations.
That economic justice can best be won by free men through free enterprise.
That government should be of laws rather than of men.
That earth's great treasure lies in human personality
And that service to humanity
IS THE BEST WORK OF LIFE!

Happy Birthday!
